

Teknion seating

variable

Variable

Variable® multi-purpose seating provides a common chair for varied applications, at a competitive price value. Designed by Alessandro Piretti, Variable is ideal for informal spaces where reconfiguration is encouraged, yet durability and style remain essential. Variable applications extend beyond the corporate office to education, retail, hospitality, healthcare and recreational markets.

Features

- An all plastic shell with integrated back-tilt and optional upholstered seat/back cushions
- Accessories include pivoting tablet, bookrack, ganging device and dolly
- Guest chair stacks up to seven-high on the floor and up to 18-high on a dolly – including models with or without arms or casters
- Guest chairs with tablets stack nine-high on dolly
- Bar- and Counter-Height Stools stack three-high and have a footrest
- Designed for 24/7 application

Finishes

- Shell – 12 colors to meet corporate and education branding
- Frame – Platinum (Satin)/Ebony paint; Chrome
- Arm frame – matches chair frame finish
- Plastic arm pads – Platinum Grey, Ebony
- Work Chair/Swivel Stool base – Polished Aluminum, Ebony
- Conference Chair base – Polished Aluminum with two-tone casters
